

STOP Solberg Condemnation

DID YOU KNOW THAT SOLBERG AIRPORT....

- is responsible for more than 200 jobs and nearly \$10 million annually in economic benefits to the region,
- preserves open land at no cost to taxpayers as an alternative to the high level of over development in other areas of the township, county, and region,
- attracts smaller planes relieving airline congestion at Newark Airport.

Better regional and local planning can protect both the airport and our quality of life.

PLEASE SIGN IF YOU:

- oppose condemnation of any of the 720+ acres comprising Solberg Airport
- oppose Readington Township spending taxpayer monies in pursuit of the Solberg property condemnation
- support safety improvements at Solberg Airport to meet the needs of modern general aviation
- request all elected officials to support improvements at Solberg Airport so as to continue to provide safe, efficient transportation in the new century.

Thank you for your signature which will be forwarded to elected officials.
